Rikki's povI wake up to see myself, Cleo, Bella, Zane, Lewis, and Will at Cleo's house. " Wow, must have been a really crazy full moon.", but little did I know something had returned whether we liked in or not.

Cleo's pov

I woke up to see Rikki staring out the window," Wow, that must have been a really timid full moon" I said.

" Yeah, I just can't get my finger off this one thing, I feel like something big happened last night." Rikki said.

" Yeah, but hopefully we never find out, I playfully smiled."

"Anyway, I feel sick, and dizzy." Rikki said as she clutched her stomach.

"Me too". I said as I did the same.

Bella Pov

I woke up to Rikki and Cleo clutching their stomachs and i hear the sound, of retching and vomiting into the garbage can I immediately ran up to see what was wrong.

"Whoa, Are you guys alright?" I asked with concern on my face. I was trying to hold in my disgust and sickness.

"Yeah, were fine" I heard Cleo and Rikki say in unison.

" Scoot over" I said not being able to contain the sickness anymore.

We all just sat there retching, and vomiting by the time we were all done we were starving

" You guys want to go to the cafe'" i said, starving.

"Okay, bet I can beat you there" Rikki said.

"Alright, its a race." I said.

And with that we ran into the sea never looking back.
